I like tight jeans,
Dark shaves when I walk the ground,
Shapes move like a ..,
Move, you appreciate my
But in nice shape,
Wanna take me on a date, move,
You got what it takes, move,
You been ..some cake,

I like, I won't catching your eyes,
I like, I don't even try,
I like you, I like you boy,
I like you boy.

[Chorus]

You might me take you for heartbreak,
'cause just,
I'm opening you, see, there's something good in me,
Never seen before,
My mistake a heartbreak,
'cause there's blood on the floor,
I know you're shaking me ,
My heart is .., there's an open door,
I know I can be a good, good girl,
I know I can be a good, good girl,
I know I can be a good girl,
But I've been bad before.
Good girl, but I've been bad before.
I know I can be a good, good girl,
I know I can be a good, good girl,
I know I can be a good girl,
But I've been bad before.
Good girl, but I've been bad before.
Talk fast, which up too fast ,
'cause this is blowing on the floor,
I'm opening you,
There's an open door,

I know I can be a good, good girl,

But I've been bad before.
Good girl, but I've been bad before.

Talk fast which up too high class,
All my day to day grew, only 20 days,
My heart..., but I can't kiss apart,
If you walk away, this could be a day.

I like, I won't catching your eyes,
I like, I don't even try,
I like you, I like you boy,
I like you boy.

[Chorus:]
You might me take you for heartbreak.
'cause just,
I'm opening you, see, there's something good in me,
Never seen before,
My mistake ...a heartbreak,
Cause there's blood on the floor,
I know you're shaking me ,
My heart is, there's an open door.
I know I can be a good, good girl,
I know I can be a good, good girl,
I know I can be a good girl,
But I've been bad before.
Good girl, but I've been bad before.
Good, good girl,
I know I can be a good, good girl,
I know I can be a good girl,
But I've been bad before

Good girl, but I've been bad before
Good girl, but I've been bad before
Good girl, but I've been bad before
Good girl, but I've been bad before
Good girl, but I've been bad before
