Boy, I know you heard around town,
That your girl got fine and that hurts ya, yeah
Boy, I heard you gained a few pounds,
Well I lost some, boy you really lost one here (yeah)

I ain't gonna front boy,
Im gonna start on you,
Cos the tables are turned,
And a lesson your gonna learn
Is you should know,

I bet you regret the day you left,
Cos im doing fine and your a mess,
Well let me ask you how do you like me now?
How you like me now?
How you like me now?
You didn't understand what I could be,
Everything I was you couldn't see,
Now let me ask you how do you like me now?
How you like me? How you, how you like me now?

Boy, you left me crying in the streets,
Cos you didn't wana deal with my drama, (hey)
Boy, and now your begging on your knees
For a piece of me and that's called karma (ohh, hey)

I ain't gonna front boy,
Im gonna start on you,
Cos boy you got and boy you arent,
And a lesson you gonna learn
Is you should know,

I bet you regret the day you left,
Cos im doing fine and your a mess,

Well let me ask you how do you like me now?
How you like me now?
How you like me now?
You didn't understand what I could be,
Everything I was you couldn't see,
Now let me ask you how do you like me now?
How you like me? How you how you like me now?
