You...

You celebrate me
You separate me from the crowd
You liberate me
You always calm me when I'm loud

You're the lighthouse shining in the dark go girl (Kari)
When I'm lost you always guide me home
You're a lighthouse can't you stand on this world (Kari)
If wasn't for you I would be alone

If you part, I fall apart
If you part, I fall apart

On stormy waters
I drink the rain and curse the skies
And when I'm sober
You're standing were the sun would lie

You're the lighthouse shining in the dark go girl (Kari)
When I'm lost you always guide me home
You're a lighthouse can't you stand on this world (Kari)
If wasn't for you I would be alone

If you part, I fall apart
If you part, I fall apart

You're the lighthouse shining in the dark go girl (Kari)
When I'm lost you always guide me home
You're the lighthouse shining in the dark go girl (Kari)

When I'm lost you always guide me home
You're a lighthouse can't you stand on this world (Kari)
If wasn't for you I would be alone

You're the lighthouse(alone, alone, alone)
You're the lighthouse (alone, alone, alone)
You're the lighthouse (alone, alone, alone)

If you part, I fall apart
If you part, I fall apart

If you part, I fall apart
If you part, I fall apart
