Original: Justin Timberlake

You were my sun

You were my earth

But you didn't know all the ways I loved you, no

So you took a chance

And made other plans

But I bet you didn't think that they would come crashing  
down, no

You don't have to say, what you did

I already know I found out from him

Now there's just no chance, for you and me

There'll never be

And don't it make you sad about it

Reafrain:

You told me you loved me

Why did you leave me, all alone

Now you tell me you need me

When you call me, on the phone

Girl I refuse, you must have me confused

With some other guy

Your bridges were burned, and now it's your turn

To cry, cry me a river

Cry me a river, girl

Cry me a river

Cry me a river, girl yea yea
