Now I'm here
And I never doubted someday I would be
I said I'll be there
And I don't care if there's no road
I'll find my way
It doesn't matter what it takes
So go ahead and say what you like
There ain't no way I'm missing this ride

Refrain:

I feel so high I could fly
Was born to reach for the sky
Oh no, I can not deny this feeling
And I just hope you can see
That there is no holding back in me
I'm already in motion

Go ahead

You can pull me down
I'll find my way back up
Cause I'm here to stay
And I can do whatever I want cause it's my life
And no matter what you say
I swear, I don't care
I'll be here cause I know that I was given to fly

Refrain:

I feel so high I could fly
Was born to reach for the sky
Oh no, I can not deny this feeling
And I just hope you can see
That there is no holding back in me
I'm already in motion

What you think and do I don't mind
And you can say whatever you like
I swear, I don't care
I'll be here cause I know that I was given to fly

Refrain:

I feel so high I could fly

Was born to reach for the sky
Oh no, I can not deny this feeling
And I just hope you can see
That there is no holding back in me
I'm already in motion
