Oh oh [x4]

Ooh oh right  
Now I'm pimped out suits on I swear to god  
I'm gettin' it on  
Champange charge the card  
Tippin' the bottle till it's gone

It's you girl  
I'm wanting to know  
You feeling me we're good to go  
Tell your friends to get with me  
All I want is just tonight

The feelings so right got me blown away  
Body's so good can't take it's about time that we get it  
on baby  
You got what I like I'll do what it takes  
So if that's what you want then w do it your way

Refrain:  
You gotta get up off your seat now baby  
We ain't got the rest of our lives  
Cause if that's how you want it  
Then tahat's how we do it  
You know the music got you movin' baby  
We got all night  
So if that's how you want it  
Then that's how we do it

Oh oh [x4]  
Ooh oh right  
So now we turn the page  
Got to know who we are  
We're letting it go

Glad you came  
Seems to me  
All we need i privacy  
Here we are  
I can't explain it

I want to know you feel the same  
You and me from the start  
Want to know that you're the star

The feelings so right got me blown away  
Body's so good can't take it's about time that we get it  
on baby  
You got what I like I'll do what it takes  
So if that's what you want then w do it your way

Refrain:

You gotta get up off your seat now baby  
We ain't got the rest of our lives  
Cause if that's how you want it  
Then tahat's how we do it  
You know the music got you movin' baby  
We got all night  
So if that's how you want it  
Then that's how we do it

Refrain:

You gotta get up off your seat now baby  
We ain't got the rest of our lives  
Cause if that's how you want it  
Then tahat's how we do it  
You know the music got you movin' baby  
We got all night  
So if that's how you want it  
Then that's how we do it

I can't stop feeling you girl  
Your beauty's got me freaking out girl  
You're too hot for me to let go  
You need to know girl [x2]

Refrain:

You gotta get up off your seat now baby  
We ain't got the rest of our lives  
Cause if that's how you want it  
Then tahat's how we do it  
You know the music got you movin' baby  
We got all night  
So if that's how you want it  
Then that's how we do it

Refrain:

You gotta get up off your seat now baby  
We ain't got the rest of our lives  
Cause if that's how you want it  
Then tahat's how we do it  
You know the music got you movin' baby

We got all night  
So if that's how you want it  
Then that's how we do it
