I wanna seize the day  
Like its the greatest thing that ever happen  
I'm gonna shift my gear  
And leave it for uptied in the traffic  
The one that hit the wall like a lumberjack  
Gonna crank it up like a maniac  
Cos I, I like it and i do it again

You can rush a car  
But only if you bring it on some jingle  
And if you don't confide  
Cos I'm thinking better cause I'm single

I took one steep forward and two steps back  
It was this close to a heart attack  
And I, now why do I wanna do it again?

I'm into  
(O-o-o-o-oh o-o-o-o-oh) overdrive  
Yes super  
(O-o-o-o-oh o-o-o-o-oh) overdrive  
Life's a hell of a ride when the rules dont look right  
I'm into  
(O-o-o-o-oh o-o-o-o-oh) overdrive  
I listen to only me, myself and I  
think I just let it slide it  
(O-o-o-o-oh o-o-o-o-oh) overdrive

I see the burst light high  
and they wear suits but they got nothing on me  
I take the paid chick back .....  
they will never own me

I took one steep forward and two steeps back  
It was this close to a heart attack  
And now why do I wanna do it again??

I'm into  
(O-o-o-o-oh o-o-o-o-oh) overdrive  
Yes super  
(O-o-o-o-oh o-o-o-o-oh) overdrive  
Life's a hell of a ride when the rules dont look right

I'm into  
(O-o-o-o-oh o-o-o-o-oh) overdrive  
I listen to only me, myself and I  
think I just let it slide it  
(O-o-o-o-oh o-o-o-o-oh) overdrive

Tripping all over the world  
Spinning the big ? around  
Every night and every day  
Follow the lines of the road  
I'm farming a map on the way  
Figure it out i figure it out

(O-o-o-o-oh o-o-o-o-oh) overdrive  
Yes super  
(O-o-o-o-oh o-o-o-o-oh) overdrive  
Life's a hell of a ride when the rules dont look right  
I'm into  
(O-o-o-o-oh o-o-o-o-oh) overdrive  
I listen to only me, myself and I  
think I just let it slide it

Tripping all over the world  
Spinning the big ? around  
Every night and every day  
Follow the lines of the road  
I'm farming a map on the way  
Figure it out I figure it out  
Think I just let it slide it

(O-o-o-o-oh o-o-o-o-oh)  
Overdrive
