Original: Eva Cassidy

You with the sad eyes

Don't be discouraged

Though I realize

It's hard to take courage

In a world full of people

You can lose sight of it all

And the darkness there inside you

Makes you feel so small

Refrain:

But I see your true colours

Shining through

I see your true colours

That's why I love you

So don't be afraid to let them show

Your true colours

True colours are beautiful

Like a rainbow
