Just TruthZ talking;

Hey my people weâ€™™ ve got some illiterate judges here,

They put some big bomb mouths everywhere,

I wonder why they play Pastor Crooks in my nest,

Cut their ass, feed hyenas and roll a blunt then rest!

Verse One;

Hey donâ€™™ t let ur heart envy sinners but always b zealous,

The niggaz wonâ€™™ t b jealous but theyâ€™™ ll like that u r precious.

Everyone belongs to God and no-oneâ€™™ s allowed to judge homies,

S.I.Aâ€™™ s my homie so get it straight en drop being zombies.

Act like men created as per Genesis of Godâ€™™ s Holy Book,

We are all of the Lord and remain in the sacred Godâ€™™ s Hook.

U call a nigga a criminal en he calls urself a bribes office.

Itâ€™™ s the wicked and the sacred that pervert our justice.

So donâ€™™ t follow the unknowns but follow my real lyrics,

Theyâ€™™ re real truth of Just TruthZ mind opening facts.

The international society thinks any rapperâ€™™ s a criminal,

To Just TruthZ itâ€™™ s a global communityâ€™™ s thinking terminal.

U sin before God by misjudging people in this universe,

For Deuteronomy donâ€™™ t pervert justice and the rapperâ€™™ s ass.

Justice means not guilty till proven guilty by the rule of law,

So let a nigga live without stigma as an outlaw!

Hook x2;

Itâ€™™ s a humanâ€™™ s rapper theories of

misjudgement,  
A niggaâ€™s TAGGED CRIMINAL and faces  
discouragement.  
Tell â€™em mama fed no criminal from her breasts,  
So I ainâ€™t no bandit and let a nigga rest.

Verse Two;

I watch community policing forums burning hoodlums  
alive,  
Itâ€™s all misjudgements and a disgrace to Godâ€™s  
love.

Many of u claim to be the Lordâ€™s Holy Messengers,  
But the Bible doesnâ€™t have a verse on burning  
sinners!

U are taking the law to ur own perilous hands,  
Get a life and stop promoting Pastor-Crooks trends.  
Some are busy killing lesbians and gays in our  
COUNTRY,

Put these gender biased suckers to niggaâ€™s  
CHEMISTRY!

They ainâ€™t versed in our glossy diversity in this  
state,

So strip em trash ass and feed em to the Sharks as fish  
bait.

We ainâ€™t gonna let lame judges promote  
discrimination,

Itâ€™s our right to fight for the right of the nation!  
Donâ€™t misjudge rappers but judge the killers of  
lesbians,

Or else itâ€™s choppers in the air en niggas turning  
aliens.

The results gonna be the nigro in the thick nick,  
Sentenced to life imprisonment within a clockâ€™s  
tick!

Hook x2;

Itâ€™s a humanâ€™s rapper theories of  
misjudgement,

A niggaâ€™s TAGGED CRIMINAL and faces  
discouragement.

Tell â€™em mama fed no criminal from her breasts,  
So I ainâ€™t no bandit and let a nigga rest.
