said i'm falling,
falling,

infatuated, slightly obsessed,
falling like rain, for this woman i met
she's got a gorgeous face and bedroom eyes,
shawty got them kissable lips and sexy thighs
and i'm so lovesick over you (yes i am)
and all my thoughts consist of two (consist of two, girl)
and that girl would be me and you (that'd be me and
you, yeah)
i'm not just saying what i know you wanna hear, i'm just
saying how i really feel
my heart is beating like a drum (rup pa pum pum a rup
pa pum pum)
falling fast, girl here i come(rup pa pum pum rup pa
pum pum)
thinking bout commitment, (rup pa pum pum rup pa
pum pum)
could be hittin me with a straight shot
falling fast and falling hard
falling, falling, falling, falling, hard

having visions, seem unclear
shawty i'd be strangely dreaming, that you were here
in the night when i close my eyes, you should see
the sex scenes i've been visioning, girl so freaky
and i'm so lovesick over you (lovesick over you, yeah)
and all my thoughts consist of two (consist of two, girl)
and that girl would be me and you (that'd be me and
you, yeah)
i'm not just saying what i know you wanna hear, i'm just
saying how i really feel.
my heart is beating like a drum (rup pa pum pum rup
pa pum pum)
falling fast girl, here i come (rup pa pum pum rup pa
pum pum)
thinking bout commitment (i've been thinking bout
commitment) (rup pa pum pum rup pa pum pum)
could be hittin me with a straight shot
falling fast and falling hard
falling, falling, falling, falling, hard

this aint easy for me girl, i need you to adore me,
cause i love you, you know that i do (oh yeah)
imma put my all into it, just tell me you wanna do it,
and i'll love you, the way that im supposed to

my heart is beating like a drum (rup pa pum pum rup
pa pum pum)
falling fast girl, here i come (rup pa pum pum rup pa
pum pum)
thinking about commitment (rup pa pum pum rup pa
pum pum) could be hittin me with a straight shot
falling fast and falling hard
falling, falling, falling, falling, hard (seems like fallin
hard)
falling, falling, falling, falling
