

Kady! Danger "Mirrors"

Visit "[Mirrors](#)" on MotoLyrics.com

We will see so many sunsets, so much road to travel
As I stare into the mirror, I'm meeting who I'm
meant to be

I won't wait for, you think you know the way
I won't take no, the answer you gave me

Sometimes a lie is just the truth we need to hear
I won't give up I will not cave into my fear
I'll wipe the mud that's always hindering my
sight
Just take my hand I'll pull you through until the day I
die

We will see so many sunsets, so much road to travel
Now I stare into the mirror, meeting who I'm meant
to be

I won't wait for, you think you know the way
I won't take no, the answer you gave me
When there is no way out and you're running far
away
I will stand here through the storm
And I don't care if there is no one watching, I'll
stay
I will pick the pieces up
they can never take away, what I'll always strive to
be
