You tell me that there's two kinds of people,  
the cool ones and all of us  
We believe you,  
cause you're the boss  
Walking down the street,  
look what you wear (yeah)  
You only got a new gear

You're like cold water on a hot day (yeah)  
You're like money in the bank when you need to pay  
You're like satan sittin' in hell (yeah)  
You're like God up in heaven and you know it's so well

'Cause you're so cool, you're the coolest  
you're so cool, you're the coolest guy

Special coffee, special tea  
you're a special - specialty (specialty)  
When we're walking, you are running  
When we're driving, you are flying by  
Like a lighter when you need a sigg --  
How did you get so big

'Cause you're so cool, you're the coolest  
you're so cool, you're the coolest guy

You got L-P (wacko-wacko) O-EE!  
a CD in your house aint good enough  
You're the one who's out on everything  
You're the one who's in the middle of everything

You used to be a nerd, but not anymore  
You used to be a nerd, but not anymore  
You used to be a nerd, but not anymore  
You used to be a nerd, but not anymore

'Cause you're so cool, you're the coolest  
you're so cool, you're the coolest guy

(ooo, be so cool)  
(ooo, be so cool)

(ooo, be so cool)  
(ooo, be so cool)

you're the coolest guy  
you're the coolest guy  
you're the coolest guy  
you're the coolest guy

you're the coolest guy  
you're the coolest guy  
you're the coolest guy  
you're the coolest guy  
you're the coolest guy  
you're the coolest guy
