You are crazy,
I am crazy too
I am beautiful,
and so are God d*** you
I see your fire burning,
I see it in your eyes
That's something for you baby,
it's a big surprise

Crazy on the dancefloor with you
Crazy on the dancefloor with you

I am coming baby,
I'm coming in your face
Here's another dollar b****,
go sell yourself another place

Walk out the door b****,
turn off the light switch
(It's the only place you really wanna be)
(Is crazy on the dancefloor with me)

Crazy on the dancefloor with you
Crazy on the dancefloor with you

F*** you a*****,
get your hands off mine

I will get you down,
get your hands to the ground

(You get to walk b****,
turn off the light switch)
(You get to walk b****,
turn off the light switch)
(You get to walk b****,) Crazy on the dancefloor
(turn off the light switch) Crazy on the dancefloor
(You get to walk b****,) Crazy on the dancefloor
(turn off the light switch) Crazy on the dancefloor

Crazy on the dancefloor with you baby

Crazy on the dancefloor with you baby
Crazy on the dancefloor with you baby
Crazy on the dancefloor with you baby
Crazy on the dancefloor with you baby
Crazy on the dancefloor with you baby
Crazy on the dancefloor with you baby
Crazy on the dancefloor with you

(turn off the light switch)
