Hey, i see you working it,
I see you strutting down the street. You look important
huh?
I walk the other way, i don't wanna bother you with my
sobriety
We used to share the summers nights riding our stolen
bikes
But now i don't interest you, i'm like a blog from 1999

I only see you when you're walking, walking to
somewhere
You're so restless, what can be over there?
I only see you when you're walking, walking to
somewhere
You're so restless, it must be special there

And the next night i see you sitting over there with girl
#115
Your fashion caught her eye? Another conquest of your
personality
I've tried to indicate that she could be someone for me
But every weekend I see you walking with her quarter
to 3

I only see you when you're walking, walking to
somewhere
You're so restless, what can be over there?
I only see you when you're walking, walking to
somewhere
You're so restless, it must be special there

I just want to conversate with you but you keep on
talking to your phone
You're so restless, you're gonna end up alone.

I only see you when you're walking, walking to
somewhere
You're so restless, what can be over there?
I only see you when you're walking, walking to
somewhere
You're so restless, it must be special there
