I wanna do something! What'd you wanna do?

Dance!

I wanna do something special with you

I've been a having a boring life lately

So now I wanna be a boy with a ADD

I wanna meet a girl

Which girl?

She's shy, she's sensitive

So now I'm taking her down to the dance floor

I'm holding her hand and my plan is to touch her

I'm touching you, you're touching me (x3)

You're touching me, I'm touching you (x2)

So we are standing and dancing and laughing

When suddenly she turns around

And dances with another guy

I'm thinking "ok, is that the game you wanna play?"

I'll find myself another girl

I'm watching her, she's watching me

I'm thinking this is not the way it's supposed to be

That's why I'm making a move, and I move with the groove

And I ask her to touch me

I'm touching you, you're touching me (x3)

You're touching me, I'm touching you (x2)

Lights come on, security says "Get out of here!"

I'm standing out in the rain and you are nowhere

This guy comes over to me and says, "do you wanna be with me and my

Friends on this crazy after party?"

As I cross the floor, they are playing The Cure

You're standing by the door, I'm walking over

So I give you a wink, and my drink, in a blink you turn pink

And then we sandwich on the dance floor!

I'm touching you, you're touching me (x3)
You're touching me, I'm touching you (x2)
