What does see, What does see
What does see, What does see
What does see, What does see

[Kaleena Harper}
What does see with my color
Something to my radio
Give up to rolling up
Free Up if the friending
What does see

What does see, What does see
What does see, What does see
What does see, What does see

[Verse: Nicki Minaj]
B*****ches to bad words of the fucking shit ohhhhhhhh
No matter what and it go bad words
Rolling Up, Stronger

.....

What does see, What does see
What does see, What does see
What does see, What does see
