I'm running from myself and from you  
I'm crying cause I can't tell you I love you  
Pathetic cause my heart is shaking  
I'm shaking, my language is breaking  
Alright let's go

Beauty thing, whoa,  
Beauty thing, I'm feeling so useless in my  
language

I'm crawling from myself and from you  
Pathetic cause I can't tell you I love you  
Well I'm bitter cause my heart is shaking  
I'm shaking, my language is breaking

Beauty thing, whoa  
Beauty thing I'm feeling so useless in my  
language.
