You are the ocean, and I am the landscape  
I am immovable, until you caress me

And I'll kiss your mouth your back your eyes your nose  
your skin  
Until you feel like you can't get enough  
Until you feel like you can't get enough

Sometimes you feel seasick, when you tell me your  
secrets  
Cause they're buried so far down, they're living with  
the shipwrecks  
But I am a life boat, I'm on the horizon  
You give me the signal, I'll come to your rescue

And I'll kiss your mouth your back your eyes your nose  
your skin  
Until you feel like you can't get enough  
Until you feel like you can't get enough

And I will be strong when you are weak  
I'll be the words that you can't speak  
I will be warmth when you are cold  
I'll be the one, I'll take you home

And I'll kiss your mouth your back your eyes your nose  
your skin  
Until you feel like you can't get enough  
Your eyes your mouth your nose your skin  
Until you feel like you can't get enough  
Your eyes your mouth your nose your skin  
Until you feel like you can't get enough  
Your eyes your mouth your nose your skin  
Until you feel like you can't get enough  
Cause I feel like I can't get enough  
Yeah I feel like I can't get enough
