My heart is turning like a satellite  
And I'm lusting you like a fool  
Hooked on you, at first sight

Fast and slow, my heart is beating like  
It's going wild, and it come alive  
Energize, every time, we make love

Shinning down like rain, falling on my skin  
Lovers in a sea breathing you within, my heart

Crazy in my heart because you're there  
Flowing in my veins, you're everywhere  
Crazy in my heart cause you're the rhythm beating  
softly  
Crazy in my mind cause all this love  
Driving me insane, I don't know how you do it,  
Break me take me, shake me, make me lose control  
Drive me crazy, drive me crazy  
Crazy, crazy in my heart  
Crazy in my heart because you're there

Purple skies, beyond us move and blow  
It's upside down and I am hypnotized, for some time  
When I look in your eyes  
Crazy how, this love is pouring down  
All over me, and I like the way you kiss me now  
Natural highs, day and night

Shinning down like rain, falling on my skin  
Lovers in a sea breathing you within, my heart

Crazy in my heart because you're there  
Flowing in my veins, you're everywhere  
Crazy in my heart cause you're the rhythm beating  
softly  
Crazy in my mind cause all this love  
Driving me insane, I don't know how you do it,  
Break me take me, shake me, make me lose control  
Drive me crazy, drive me crazy  
Crazy, crazy in my heart

Crazy in my heart because you're there
