(Verse 1)

Sometimes I try to stay focus and just meditate but
coming so damn close to self medicate and my pace is
something like a marathon or race but hopefully
I'm still around just for my daughter sake and I
don't like to prey but I do speak to God Cause I may
have it ruff but some got it hard and I would take the
charge until I need you like the time when I was in Iraq
and living was against the odds you seen my heart and
spared my life and when I fell apart you save me twice I
understand what Michael Jackson went through in life
taking everything he can to go to sleep at night but I
am not that type at lease I hope to go and get a gun put
it to my head and leave it in a note stress would make a
man slit his own throat Would make you walk off a chair
hanging by a rope

(Chorus)

Hanging by a rope or better yet a thread
I'm so far behind to some so far ahead
But I am not afraid
I'm still right here with you
I just hope I be as happy like my baby picture
Hanging by a rope or better yet a thread
I'm so far behind to some so far ahead
But I am not afraid
I'm still right here with you
I just hope I be as happy like my baby picture

(Verse 2)

No I'm not gonna Kurt Cobain myself
Or Heath Ledger, M.J. Billy Mays myself
But I'm amazed myself that I'm still here
And paranoid a little bit like it's still near
I keep a pistol by my side if I feel fear
And keep a few up in the ride with the clips near
Get between a bitch thighs
Then tell her disappear
I know that its more than this I'm just trying to see it
clear
I'm just trying to see where this world is gonna take
me
They told me you believe in GOD, you got to believe

there is a Satan
The preachers must be mistaken
They quoting verse™ s they making
This shit aint making no sense
What that fuck are y'all saying?
You mother fucker are playing
Aint no way you kidding me
If I close my eyes for good
Aint no way you losing sleep
So I rather just be with my gun off my safety
And try to keep my faith in GOD if you know what
I™ m saying.

(Chorus)

Hanging by a rope or better yet a thread
I™ m so for behind to some so far ahead
But I am not afraid
I™ m still right here with you
I just hope I be as happy like my baby picture
Hanging by a rope or better yet a thread
I™ m so for behind to some so far ahead
But I am not afraid
I™ m still right here with you
I just hope I be as happy like my baby picture
