(Chorus Federro)

Now that you can up
You know you kept grindin
Never stop ya hustle always keep shinning
Hommie be ready, hommie be ready
Hommie be ready, hommie be ready
Prepare for the jealousy
Envy from the haters
Always keep focus
Don't never let it fade ya
Hommie be ready, hommie be ready
Hommie be ready, hommie be ready

(Verse I Kamikaze CMI)

Yea, I'm not a gangsta hommie, at lease I'm
not no moe
But still known to grab a noose and wrap it round ya
throat
I keep the goonies with me
Every where I go
And got a pistol with a pistol even at my show
But I aint bout them problems
I rather sip on a bottle
And go and find me a model
To come up out them Movado's
She sexy then I'm a hala
And I aint even got to try to
Get her back to the crib
If she like it then she gona follow
(I like you daddy)
Yea I like you too
Now I aint trying to lead you on but I got things to do
A bigger house
A larger coup
Now it's back to the money trying to get it through

(Chorus Federro)

Now that you can up
You know you kept grindin
Never stop ya hustle always keep shinning
Hommie be ready, hommie be ready

Hommie be ready, hommie be ready
Prepare for the jealousy
Envy from the haters
Always keep focus
Don't never let it fade ya
Hommie be ready, hommie be ready
Hommie be ready, hommie be ready

(Verse II Kamikaze CMI)

I'm not role model
Or a father figure
I'm from the streets where the hustlers turn into
some killas
Check my background, go ahead take a picture
You can tell by my swag I'm from New Orleans
Nigga
I'm a hit the streets see go and get a two piece
Bag it up hand it out count it up and repeat
That is how we be
Same clothes all week
Big ride Big shoes
That's all the freaks see
(I like you daddy)
Yea ah ao oh oh
I aint got to say a word that's just how I do
Maybe later baby
you can come on through
But not now I'm on the money trying to get it
through

(Chorus Federro)

Now that you can up
You know you kept grindin
Never stop ya hustle always keep shinning
Hommie be ready, hommie be ready
Hommie be ready, hommie be ready
Prepare for the jealousy
Envy from the haters
Always keep focus
Don't never let it fade ya
Hommie be ready, hommie be ready
Hommie be ready, hommie be ready

(Verse III Rone)

I can you aint ready cause ya heat cold
Plus I can see straight through you like a peep hole
All eyes on me I'm the pep show
Got ya girl going down like a deep slop
Rone this Rone that
That's a snitch theme
I'm always on a haters mind like a wet dream

My life is like a movie
And this the dust seen
You never find my love baby just a lust thing
At a certain degree I get my yail on
Out here searching degreeâ€™ s to get my yail on
lâ€™ m in my al zone this my arrival
Eaten all my competition
This survival
