[The first verse]

Gea , umm,

I was told there only two types of people up in this bitch

Those that watch it happen and rather wait and sit

And those that make shit happen and been getting it
ever since

so when you see me I'm grinding and it is evident.

I been cross the water

Been overseas,

Been to the islands

Been to the keys

Been shot at

Fought with police

Had a few pounds

And a few keys

Bought a few rounds

Spent a few geez

Anything I want it

Lived like a king

You can say I'm a trend setter

But it's nothing if you know better

[Choures]

I guess there is nothing that complete me

Nothing physical

Not the new ride

Or the new clothes

Some new hoes

Some down freaks

If I put it to me head will it save me

I guess there is nothing that complete me

Nothing physical

Not the new ride

Or the new clothes

Some new hoes

Some down freaks

Its all temporary if you ask me.

[The Second verse]

I over heard a conversation that my daughter had

Her friends pregnant
