Well you can tell it to the radio
Tell it to the television
They are not listening
They are only machines
I could sit around all day worrying and wishing
I was one of them
So you can tell it to me
Talking to you girl is like long division, yeah

I've been trying to find you
May i remind you, i'm under oath now
I've been trying to see you
'cause i can see you, want the truth now
I've been trying to tell you
That i can tell you are
A singular girl
You got the teeth of the hydra upon you
Singular girl, singular girl

Well you can blame it on the moonlight
Blame it on plate tectonics
You thought i wasn't listening but i was
Talk about attraction
Talk about electronics
Well you are the reason
You are because
Talking to you girl is like long division, yeah

I've been trying to find you
May i remind you, i'm under oath now
I've been trying to see you
'cause i can see you, want the truth now
I've been trying to tell you
That i can tell you are
A singular girl
You got the teeth of the hydra upon you
Singular girl, singular girl

Talking to you girl is like long division, yeah
I've been trying to find you
May i remind you, i'm under oath now

I've been trying to see you
'cause i can see you, want the truth now
I've been trying to tell you
That i can tell you are
A singular girl
You got the teeth of the hydra upon you
Singular girl, singular girl
Singular girl
You got the teeth of the hydra upon you
Singular girl, singular girl
