1) I threw a dime in the well ,
10c aien't worth for a tell.

You looked at me as it fell ,
and then you winked at meh.
I never loved you so much ,
kisses are better than hugs.

You couldn't stop and stare ,
and then you walked away.

Chorus : Your tan was showin ,
Big blue eyes were glowin.
Cool breeze sun was showin ,
Who you think your texting baby?

Hey , why don't you come , a little closer.
So why don't you just , like text me maybe.

Life's not a game so just , play it fairly.
So why don't you just , like text me maybe.

Hey , why don't you come , a little closer.
So why don't you just , like text me maybe.

And all the other girls , try to chase you ,
So why dont you just , like text me maybe.

2) I never knew what was next ,
you never messaged the text.

You never showed some respect ,
and you still winked at meh.

I never knew it was real ,
But right now it's a deal.

I never knew it would happen ,
You still winked at meh.

Your tan was showin ,
Big blue eyes were glowin.

Cool breeze sun was showin ,
Who you think your textin baby.

Chorus: Hey why don't you come . A little closer
So why don't you like ,
Just text me maybe?

Life's not a game so just ,
play it fairly.

So why don't you like ,
Just text me maybe ??

Hey why don't you come ,
A little closer.

So why don't you just ,
like text me maybe??

And all the other girls ,
try to chase you.

So why don't you just ,
like text me maybe.

Boy you texted me last night

I didn't know that ,
I didn't know that ,
I didn't know know that ,

Boy you texted me last night ,
I never knew that .

You should have know that ,
I never knew knew that.

.....

Life's not a game so just , play it fairly.
So why don't you just , like text me maybe.

Hey why don't you come , a little closer.
So why don't you just , like text me maybe.

And all the other girls ,
try to chase you.

So why dont' you just ,
like text me maybe.

Boy you texted me last night ,
I didn't know that ,
I never knew that ,
I never knew , knew , that.

Boy you texted me last night ,
I didn't know that ,
I never knew that ,

SO TEXT ME MAYBE (:
