Oh
Yeah
Uh, come on
Yeah
This is more than a typical kinda thing
Felt the jolts in my bones when you were touching me
Oh, oh
Didn't want to take it slow
In a daze, going crazy, I can barely think
You're replaying in my brain, find it hard to sleep
Oh, oh
Waiting for my phone to blow
Uh, oh, yup
Now I'm here in a sticky situation
Got a little trouble yup and now I'm prancing
Five minutes, ten minutes, now it's been an hour
Don't wanna think too hard, but I'm sour
Oh, oh
I can't seem to let you go
ooh
[Chorus]
See I've been waiting all day
For you to call me, baby
So let's get up, let's get on it
Don't you leave me brokenhearted tonight
Come on, that's right
Honest, baby, I'll do
Anything you want to
So can we finish what we started
Don't you leave me brokenhearted tonight
Come on, that's right, uh, cheerio
What's the time, such a crime, not a single word
Sipping on that Patron just to calm my nerves
Oh, oh
Poppin' bottles by the phone, oh yeah
Had me up, had me down, turn me inside out
That's enough, call me up, baby, I'm in doubt
Oh, oh
And I don't even think you know, no, no, no
[Chorus]
See I've been waiting all day
For you to call me, baby

So let's get up, let's get on it
Don't you leave me brokenhearted tonight
Come on, that's right
Honest, baby, I'll do
Anything you want to
So can we finish what we started
Don't you leave me brokenhearted tonight
Come on, that's right
Uh, cheerio
Anything you wanna do, I'll be on it too
Everything you said is, like, go with the view
Business in the front, party in the back
Maybe I was wrong - was that outfit really whack?
This kinda thing doesn't happen usually
I'm on the opposite side of it truthfully
I know you want it, so come and get it
Uh, cheerio
[Chorus]
See I've been waiting all day
For you to call me, baby
So let's get up, let's get on it
Don't you leave me brokenhearted tonight
Come on, that's right
Honest, baby, I'll do
Anything you want to
So can we finish what we started
Don't you leave me brokenhearted tonight
Come on, that's right
Uh, cheeri, cheeri
When you gonna call
Don't leave me brokenhearted
I've been waiting up
Let's finish what we started, oh, oh
I can't seem to let you go
Come on, that's right
Uh, cheerio
