

Karmin "Brokenhearted"

Visit "[Brokenhearted](#)" on [MotoLyrics.com](#)

This is more than the typical kinda thing
Felt the jones in my bones when you were touching me
 Didn't wanna take it slow
In a daze, going crazy, I can barely think
You're replaying in my brain, find it hard to sleep
 Waiting for my phone to blow

Now I'm here in a sticky situation
Got a little trouble, yep and now I'm pacing
Five minutes, ten minutes, now it's been an hour
I don't wanna think too hard, but I'm sour

I can't seem to let you go

See, I've been waiting all day
 For you to call me baby
 So let's get up, let's get on it
Don't you leave me brokenhearted tonight
 Come on, that's right
Honest baby, I'll do anything you want to
 So can we finish what we started
Don't you leave me brokenhearted tonight
 Come on, that's right, cheerio

What's the time, such a crime
Not a single word, sipping on a PatrÃ³n
 Just to calm my nerves
 Poppin' bottles by the phone
Had me up, had me down, turn me inside out
 That's enough, call me up
 Maybe I'm in doubt
I don't even think you know, no no

See, I've been waiting all day
 For you to call me baby
 So let's get up, let's get on it
Don't you leave me brokenhearted tonight
 Come on, that's right
Honest baby, I'll do anything you want to
 So can we finish what we started
Don't you leave me brokenhearted tonight
 Come on, that's right, cheerio

Anything you wanna do, I'll be on it too
Everything you said is like go with the view

Business on the front, party in the back
Maybe I was wrong, was the outfit really wack?

This kinda thing doesn't happen usually
I'm on the opposite side of it, truthfully
I know you want it so come and get it, cheerio

See, I've been waiting all day
For you to call me baby
So let's get up, let's get on it
Don't you leave me brokenhearted tonight
Honest baby, I'll do anything you want to
So can we finish what we started
Don't you leave me brokenhearted tonight
Come on, that's right, cheerio

When you gonna call
Don't leave me broken hearted
I've been waiting up
Let's finish what we started
I can't seem to let you go
Come on, that's right, cheerio!
