[Intro]

Who do you think you are, a super s-t-a-r?  
Who do you think you are, you can kiss my oh my  
gawww!

[Karmin]

All eyes on you tonight  
So let's toast to you, you got so much to prove  
And you say, everyone's got a price  
That's how you get your way if not there's hell to pay

You're gonna huff and puff and blow the whole house  
down

Don't they know you're the king of the castle  
The nerve of some people  
To think we're all equal  
911 it's me to the rescue  
If I don't speak who's gonna tell you  
Oh yea I gotta let you know

I'm here to crash your party  
You think you're the star of the show  
But I'm about to let you know  
I'm here to crash your party  
The bigger you are the harder you fall, oh you had it all  
Before I crashed your party  
Who do you think you are, a super s-t-a-r?  
Who do you think you are, you can kiss my oh my  
gawww!

You're so misunderstood  
Cause you're so complex, you and your complex  
And you claim you're so low key  
Well you coulda fooled me, mister TMZ!

Come on show em how you huff and puff and blow the  
whole house down

Don't they know you're the king of the castle  
The nerve of some people  
To think we're all equal  
911 it's me to the rescue

If I don't speak, who's gonna tell you?  
Oh yea I gotta let you know

I'm here to crash your party  
You think you're the star of the show  
But I'm about to let you know  
I'm here to crash your party.  
The bigger you are the harder you fall, oh you had it all  
Before I crashed your party.  
Who do you think you are, a super s-t-a-r?  
Who do you think you are, you can kiss my oh my god!

Sittin' on the top of the world you got the best view  
Livin' life with a cheat sheet, nobody test you, huh?  
Your mind is a mess, heart is a chess piece  
Movin' down the board now I'm takin' down the king of  
the castle  
While I'm on top of this beat I dazzle  
How could you ever conceive I'd razzle up - 'nuff of that  
beef  
Now I'm gonna tweak out - now you better peace out  
Cause I gotta full house, yeah baby  
Four of a kind, there's no room in my life for an ego  
your size

I'm here to crash your party  
You think you're the star of the show  
But I'm about to let you know:  
I'm here to crash your party.  
The bigger you are the harder you fall, oh you had it all  
Before I crashed your party
