Aye, aye, aye  
Is it time, green light  
Egotistic, battle cry  
I was right, you was wrong  
Called you out, finished strong  
Whiskey sour lemonade, fences at my barricade  
I had heart, you had spades  
I could see the color in your faces fade  
That's how it is, ain't no riddle  
Crunchy on the edge but soft in the middle  
I got a lot, you got a little  
I'ma play both drums, you play the fiddle  
Play it real slow, lean on the bow  
Everybody's sad when they miss a free throw  
Bass to control, I'm on a roll  
Right all along and I knew it in my soul.

I told you so  
Don't want to brag but you already know (Oh)  
I told you so  
Don't want to brag but you already know.  
You already know.

I told you, I told you, I told you so oh.  
I told you, I told you, I told you so oh.

F-f-f-feels so good, doesn't it?  
Winnin' while they flubbin' it.  
I was right, you was wrong.  
Figured I would write it in a hip hop song.  
Was it so hard to believe?  
I can make it, being me?  
Drank too much Ouzo.  
My gosh, you know.  
People say a lot of things, make you feel real small.  
Push them out the way, iced latte, tall.  
I don't really care, I'm not really there.  
Caffeinated up to my eyes, I swear.  
I'm on the top, you on the flop.  
Going so long and I'm never gonna stop.  
Bass to control, I'm on a roll  
Right all along and I knew it in my soul.

I told you so  
Don't want to brag but you already know (Oh)

I told you so  
Don't want to brag but you already know.  
You already know.

I told you, I told you, I told you so oh.  
I told you, I told you, I told you so oh.

Look at me now, fifteen rounds.  
Bottle in my hand, pourin' it on the ground.  
Next time you wanna talk trash, I'ma put it on blast  
You can get it if you ask for it  
Put it in the mini figure for the fat ladies hangin' out  
Shatter every glass house. Oops. Ni hao.  
Meanwhile, I smile.  
Then I go, animal style.

I'm rackin' up another million,  
Making me another killin', superwoman,  
Earnin' top dollar bill,  
And you must have a lot of feelings  
Tell me what you really think about it  
Kiddin', I don't even care.  
Nobody listens to a fool,  
Go put a hater be about another  
Take it please,  
Got me on my knees.  
Talk to you later, then I'm gonna  
Whoop, there goes!  
Right all along and I knew it in my soul.

I told you so  
Don't want to brag but you already know (Oh)  
I told you so  
Don't want to brag but you already know.  
You already know.  
[x2]

I told you, I told you, I told you so oh.  
I told you, I told you, I told you so oh.
