When you were just a little girl in pine bluff
Daddy disappeared without a trace
Now there's no more little girls in pine bluff
They all ran like tears out of this place

Am I too late?
Am I too late?
Tell you that I love you
Now they've carried you away

Am I too late?
Am I too late?
Tell you that I love you
Now they've carried you away

Never thought that you would see a sickbed
Never thought that you'd stop bein' 'round
Now I hear you're lost and gone forever
Just like all the other girls in town

Am I too late?
Am I too late?
Tell you that I love you
Now they've carried you away

Now I hear that you have gone to Heaven
And if there's one, I'm sure that's where you are
Maybe you're the new star in the night sky
Just outside the moon roof on my car

Am I too late?
Am I too late?
Tell you that I love you
Now they've carried you away

Am I too late?
Am I too late?
Tell you that I love you
Now they've carried you away

Tell you that I love you
Now they've carried you away

Tell you that I love you
Now they've carried you away
Tell you that I love you
Now they've carried you away
