Well it's a big old mess of brick and stone
Man can't live on love alone
Yeah, I hear that's good 'cause it's all gone
Yeah, there's nothing to do but carry on

Rain falls down on this dirty old town
Nothing's gonna get it clean
See what I mean?

Takes his stand in a topless bar
With an old man on a white guitar
Yeah, we'd all do the thousand-yard stare
Shuffling around, ain't going nowhere

Crowds roll in, and they do it again
Nothing's gonna break this routine
See what I mean?
See what I mean?

Here she comes, my girl
Bright spark in a dark world
Here she comes, my girl
Bright spark in a dark world

Well it's a big old mess of brick and stone
Was a nightmare when I was on my own
Yeah, she showed up and it's okay
Now I don't mind that the sky is gray

Rain falls down on this dirty old town
She's the only shine I see
See what I mean?
See what I mean?

Here she comes, my girl
Bright spark in a dark world
Here she comes, my girl
Bright spark in a dark world

See what I mean?
See what I mean?
