Well, I turned my microwave on and I cooked my  
chicken ravioli  
The last ten years of my life I've been feeling kind of  
lonely  
I don't do love, I don't do women named Hannah  
I don't do red haired girls from Louisiana

I'm suffering from a kind of indecision  
About what I'm a gonna watch on television  
I'll dream tonight of dancing in Coahulia  
With a little brown haired girl and her tequila

My mama always seems to sing the same song  
You'll never meet no decent girls at Dallas honky tonks  
What she says is true, with that I must agree  
'Cause any girl worth having wouldn't have a thing to  
do with me

I'm suffering from a kind of indecision  
About what I'm a gonna watch on television  
I'll dream tonight of dancing in Coahulia  
A little brown haired girl and her tequila

I'm sitting here just to a sucking on my cavity, cavity  
I'm thinking of the things they used to say to me,  
tragedy

And I'm suffering from a kind of indecision  
About a little brown haired, a little brown haired  
A little brown haired girl and her tequila
