Underneath the foreign stars  
In a foreign place where they don't love you, I do care  
In the pale moonlight your eyes are wide  
And the band plays, everybody wants you

And he takes your hand tenderly  
And he whispers sweet surrender, nothing  
How he feels about girls like you. your flip flop smiles  
And your big blue eyes on vacation

Dance with me into the ocean  
Roll with me into the sea  
Don't tell me the world is in trouble  
Do you want to dance with me?

Go, changes hands as the big waves  
Crash and dream don't die, but I do  
Where were you when I needed you right now  
The telephone just rings, I'm gonna find you

Dance with me, into the ocean  
Roll with me, into the sea  
Don't tell me the world is in trouble  
Do you want to dance with me, oh  
Do you want to dance with me?

Underneath the foreign sun  
With a foreign man who is gone and almost forgotten  
Take everything you see  
And remember us and wonder If you will be forgiven

Dance with me, into the ocean  
Roll with me, into the sea  
Don't tell me the world is in trouble  
Don't tell me the world is in trouble

Dance with me, into the ocean  
Roll with me, into the sea  
Don't tell me the world is in trouble  
Do you want to dance with me?  
Do you want to dance with me, oh?  
Do you want to dance with me?
