I'm a train wreck
I'm a mess
But I'm gonna take you dancing
Put on your party dress

You're a live wire
You're a freak
You are my reward at the end of the working week

You wonder what's in store
We're gonna waltz across the floor
We're gonna wind up in a heap
We're gonna laugh ourselves to sleep
I'll say I love you what the heck
I'm a train wreck

I'm a train wreck
And so are you

And if you don't know where your going do you mind if
I come too

And you wonder what's the deal
You've got to fake it til its real
there is no benefits in doubt
You've got to let it all hang out
I'll say I love you what the heck
I'm a train wreck

I'll say I love you what the heck
I'm a train wreck

I'm a train wreck
I'm a train wreck
