She woke from a dream  
Her head was on fire  
Why was he so nervous?

He took her to the park  
She crossed her arms  
And lowered her eyelids

Some day somebody's gonna ask you  
A question that you should say yes to  
Once in your life  
Maybe tonight I've got a question for you

She'd had no idea  
Started to cry  
She said in a good way

He took her by the hand  
Walked her back home  
They took the long way

Some day somebody's gonna ask you  
A question that you should say yes to  
Once in your life  
Maybe tonight I've got a question for you
