One buck in the jukebox gets you two
I wouldn't pick track nine if I was you
The easy way gets harder all the time
Yeah, the easy way gets harder all the time

Big D Little AKA The City of Hate
Deep in the big black heart of the 'lone star state
If you are a good ol' boy they re gonna do you fine
Yeah, the easy way gets harder all the time

Speaking of love
Speaking of love

Two time, shame on you exponentially
Fool me again and baby you can say shame on me
How can I love you when you won t be mine
The easy way gets harder all the time

Speaking of love

What will you do when this is done
Will you run, will you stay, meet me at the easy way
How can I love you when you won t be mine
Yeah The easy way gets harder all the time
Time, time, time

And the love you give, is enough to sway, this old heart
to live
Meet me at the easy way, meet me in your room
Meet me in your car, meet me on the moon
What would you do if I told you I loved you?
What would you do if I told you I loved you?

Speaking of love
Speaking of love
