We meet on the elevator
In the Grand Theater
I look you in the eye and say
"I'd like to see you later"
But you don't understand

I take you the Tate Museum
There's pictures there but I can't see 'em
If you was there I'd overlook
The Roman Colosseum
It would not stand a chance

We know where we are
We're not very far away
We're not very far away

We kiss on the bus to Soho
The motor hummin' a low note
I tell you that I love you
But it's nothin' that you don't know
Would you like to dance?

We know where we are
We're not very far away
We're not very far away

We know where we are
We're not very far away
We're not very far away

We know where we are
We're not very far away
We're not very far away

We know where we are
We're not very far away
No, we're not very far away

We know where we are
And we're not very far away
No, we're not very far away
