Sunset on a tube
Red wine by the hourglass
Do you Understand
Long night below the underpass
Heart shaped like a question mark
Im gonna break it down like its a sentence
Get bent like a bottle cap
Theyre either Foreigners
Or theyre against us

Why am i so willing
To be the Villain
How come I'm killin myself
How come Im killing myself
Doo Doo Doo + yodeling

Black Screen on a plane
Holed up above the city line
Lone nights in a drone
Long nights in the summer time
Run down like a criminal
Im gonna break it down like its a sentence
Get bent like a bottle cap
Theyre either foreigners or theyre against us

Why am i so willing
To be the Villain
How come I'm killin myself
How come Im killing myself
Doo Doo Doo + yodeling

-a few words might be off, but it was a live recording
and ol' Rhett can get a little "mnnphhj" sometimes
