I reckon Heaven is a place  
Where time is nonexistent, yeah  
And the things that are important, yeah  
Don't take any time at all

An awful lot like like outer space  
Where everything is weightless, yeah  
Even heavy things are weightless, yeah  
Don't take up any space at all

Right on, right on  
Oh yeah, it's so clear  
All the bad things are gone  
All the good things are here

Right on, right on  
Oh yeah, it's so clear  
All the bad things are gone  
All the good things are here

Almost exactly like this place  
Where people talk forever, yeah  
And it's always stormy weather, yeah  
Stormy weather's the best kind

Right on, right on  
Oh yeah, it's so clear  
All the bad things are gone  
All the good things are here

All the bad things are gone  
All the good things are here

I reckon Heaven is a place  
Where everything is weightless, yeah  
Even heavy things are weightless, yeah  
Up there, we'll never find it all
