In the shadows cast by where you once stood
A ringless finger turns through old photo books
All that's left of all that ever was good
It's getting harder to stand

CH:

I'm broken inside
Out on my own
Trying to walk
The crooked road home
Wish you were hear
To see me cry
Keep me together
I'm broken inside

Dusty boxes in a secret room
Behind the heavy door I locked after you
Fragments of a life I'll never have
Again

Another phone call from another old friend
The message says that they're just checking in
And I can't bring myself to ever call back
I can't speak anymore

CH

I'm broken inside
Out on my own
Trying to walk
The crooked road home
Wish you were hear
To see me cry
Keep me together
I'm broken inside

BR:

Everything's a silent movie now
Smiling faces in the dark
Moving lips but I can't hear any sound
Is it time to go home now?

CH

I'm broken inside
Out on my own
Trying to walk
The crooked road home
Wish you were here
To see me cry
Keep me together
I'm broken inside
