Thinking back about the way it used to be  
I was standing next to you and you were next to me  
Youâ€™d melt me down with just one look  
Twenty minutes spent with you was all it took...

Baby, and we were back to you and me  
Yeah, you had me on the hook, baby  
I wasnâ€™t wise enough to see  
That it wasnâ€™t all that it appeared to be  
You been hiding on me

Now weâ€™re sharing the same house but live alone  
The only time I hear your voice is on the telephone  
I dream about that longing look  
You would walk my way and that was all it took

Baby, and we were back to you and me  
Yeah, you had me on the hook, baby  
I wasnâ€™t wise enough to see  
That it wasnâ€™t all that it appeared to be  
You been hiding on me

{INST}

And that was all took, baby, and we were back to you  
and me  
Yeah, you had me on the hook, baby  
I wasnâ€™t wise enough to see  
That, thats was all took...

Baby, and we were back to you and me  
Yeah, you had me on the hook, baby  
I wasnâ€™t wise enough to see  
That it wasnâ€™t all that it appeared to be  
You been hiding on me
