You put out the party favors, I'll put on some shoes.
All the guests are lining up, it's time for us to
choose.

What is right about this baby, tell me what is wrong?
We can still return the flowers if we don't take long.

CHORUS:

Something's happening, something's coming
my way.

And I don't believe that I'll be able to stay.

All of this has been a charm and dear I wish you well
I know you will be alright, for me I just can't tell
I went walking down the road today and I saw a lovely
sight

Everything that ever was; the daytime and the night

CHORUS:

Something's happening, something's coming
my way.

And I don't believe, I ain't got no reason to stay.
No reason to stay.

INST.

CHORUS:

Something's happening, something's coming
my way.

And I'm sorry dear, I ain't got no reason to stay.
No reason to stay.
No reason to stay.
