Every time you look at me i donâ€™t know what to do
baby babe
your eyeâ€™s shine like the midnight sky and i
donâ€™t know what to do baby eh eh eh
why must you torture me so
why must you do this to me
iâ€™ve only been nice to you
but you have been cruel to me
you torture me with your cruel ness
when all iâ€™ve done is love you
why must you do this to me
why must you do this to meeeee

why .. must you do this to me
when all iâ€™ve done is love you
baby plz tell me whyyyy
I honestly donâ€™t know what i did
to make you hate me sooooo
every time you look at me i donâ€™t know what to do
you make my heart stop at every sight i get of youu

why must you torture me so
why must you do this to me
iâ€™ve only been nice to you
but you have been so cruel to me .
