What is life to me without thee?
What is left if thou art dead?
What is life; life without thee?
What is life without my love?
What is life if thou art dead?

Eurydice! Eurydice!
Ah, hear me! Oh answer!
Oh answer!

Thy dear lord am I so faithful
Thy dear lord am I who loves thee
Who doth love thee!

What is life to me without thee?
What is left if thou art dead?
What is life; life without thee?
What is life without my love?
What is life if thou art dead?

Eurydice! Eurydice!

In my dread anguish nought can aid me
None can comfort
Earth is cruel, heav'n is cold!

What is life to me without thee?
What is left if thou art dead?
What is life; life without thee?
What is life if thou art dead?
What is life; life without thee?
what is life if thou art dead?
If thou art dead?
If thou art dead?
