CC Rider, see what you gone done  
CC Rider, see what you gone done  
CC Rider, see what you gone done  
Well hey, hey, hey, hey

Well, you made me love you, now your man done come  
Made me love you, now your man done come  
Made me love you, now your man done come  
Hey, hey, hey, hey

You were standin' in the kitchen in that morning gown  
Standin' in the kitchen in that morning gown  
Standin' in the kitchen in that morning gown  
Hey, hey, hey, hey

I was lookin' right at her when that sun went down  
Lookin' right at her when that sun went down  
Lookin' right at her when that sun went down  
Hey, hey, hey, hey

Well, CC Rider, see what you gone done  
CC Rider, now see what you gone done  
CC Rider, you'll see what you gone done  
Hey, hey, hey, hey
