Now there once was a union maid, she never was  
afraid  
Of the goons and the ginks and the company finks and  
the deputy sheriffs who made the raid.  
She went to the union hall where a meeting it was  
called,  
And when the boys would come up to her  
Oh this is what she'd say

(Chorus)

Oh, you can't scare me, I'm sticking to the union,  
I'm sticking to the union, I'm sticking to the union.  
Oh, you can't scare me, I'm sticking to the union,  
I'm sticking to the union 'til the day I die.

Now this union maid was wise to the tricks of company  
spies,  
She'd take the dare, she didn't care, she always  
organized the guys.  
And she always got her way when she asked for better  
pay.  
She showed her card to the National Guard  
Honey this is what they'd say

(Chorus)

Now you girls who want to be free, just take a little tip  
from me;  
Oh get you a man who's a union man and you can join  
the ladies' auxiliary.  
Because married life ain't hard when you got a union  
card,  
And a union life is a happy life when you got a union  
wife.

(Chorus x2)
