What, what is freedom
Tonight is an empty bladder
A room full of smoke I can hardly breathe in

And what , what are you chained too
Who's got your heart all twisted up
Who's got you stuck baby who played you

[Pre-Chorus]
But I don't wanna be, I don't wanna be free
And your love is a loaded gun
And if you hit your mark you won

[Chorus]
Then again, baby
Then again
Then again
You're always first when no one's on your side
Then again, baby
Then again
Then again
A day will come when I'll want off that ride yeah

What, what is freedom
Tonight's she another stranger
Another bed for you to sleep in

And why ,why does she leave you
Maybe the eyes, maybe the lies
It was all too easy to see through

[Pre-Chorus]
But I don't wanna be, I don't wanna be free
And your love is a loaded gun
And if you hit your mark you won

[Chorus x2]
Then again, baby
Then again
Then again
You're always first when no one's on your side
Then again, baby

Then again, again, again
Then again
A day will come when I'll want off that ride yeah
