(Verse 1)

She's a diva.  
So malicious.  
The way she walks and the way she kisses.  
I got a feeling that I won't be leaving her for some time.

(Pre-Chorus)

Cause my heart beat is speeding speeding  
No reservations cause we ain't eating.  
She takes me places where it's hard to breathe in  
(harder to breathe in),  
But it's so pleasing.

(Chorus)

Cause I got a bad girl,  
The way she walk talk and take control of me.  
I got a bad girl,  
The only one that fulfills my fantasy.

(Verse 2)

She'll take the silence and make it loud.  
No way you're stopping cause she'll shoot you down.  
With cupid's arrow then she'll rip it out.  
Won't cover the wound she'll let the love bleed out.

(Pre-Chorus)

And now my heart beat is speeding speeding.  
No reservations cause we ain't eating.  
She takes me places where it's hard to breathe in  
(harder to breathe in),  
But it's so pleasing.

(Chorus)

Cause I got a bad girl,  
The way she walk talk and take control of me.  
I got a bad girl,  
The only one that fulfills my fantasy.

(Refrain)

Cause she's a bad, bad, bad, very bad bad, bad girl.  
She's believing oh but she's deceiving.  
Cause she's a bad, bad, bad very bad, bad, bad girl.

But I don't know if I could ever live without her.

(Bridge)

She got my head blown  
By the way that she can take my mind over.  
From her head to toes,  
She got the body that make every man want her.

(Chorus)

Cause I got a bad girl,  
The way she walk talk and take control of me.  
I got a bad girl,  
The only one that fulfills my fantasy.

(Refrain)

Cause she's a bad, bad, bad, very bad bad, bad girl.  
She's believing oh but she's deceiving.  
Cause she's a bad, bad, bad very bad, bad, bad girl.  
But I don't know if I could ever live without her.
