(Verse 1)

I've been thinking bout you girl for a minute.
You got me waiting by the phone.
Staring at the clock that keeps on ticking,
I feel the midnight coming on.
Laying home all alone got me wondering, I bet she's on
dance floor.
She's with her friends getting drinks from other men,
yea I bet they do that all night.

(Pre-Chorus)

Now she's pissing me off, but she's turnin me on.
Yeah she's shutting me down and I can't stand her.

(Chorus)

Because she got control of my body and soul.
No matter where I am she's always got me on hold.
Because she got control of my body and soul.
No matter where I am she's always got me on hold.
Because she got control.

(Verse 2)

Have you seen my girl, is she all alone?
I don't know where she is, hope she ain't misbehaving.
Is she on the bar dancing for the guys?
If so then they better watch their eyes,
Cause it's my baby, and my lady.
She be doing things that make me go crazy.
The way she shake it damn it so amazing.
She be dancing like that all night.

(Pre-Chorus)

Now she's pissing me off, but she's turning me on.
Yeah she's shutting me down and I can't stand up.

(Chorus)

Because she got control of my body and soul.
No matter where I am she's always got me on hold.
Because she got control of my body and soul
No matter where I am she's always got me on hold.

(Refrain)

She got me all day long and all night.
She got me all day long and all night.
She got me all day long and all night.
She got me all day long and all night.

(Bridge)

I pulled up to the club and I busted through their doors.
And then I saw my girl, she was standing there on the
floor.

And then I saw a man grab her hand and say are you
alone girl?

She said I don't want to dance because I got man and
he's at home.

(Chorus and Refrain)

Because she got control of my body and soul.
No matter where I am she's always got me on hold.
She got me all day long and all night.
She got me all day long and all night.
She got me all day long and all night.
She got me all day long and all night.

(Chorus)

Because she got control of my body and soul.
No matter where I am she's always got me on hold.
Because she got control of my body and soul.
No matter where I am she's always got me on hold.
Because she got control.
