I've been searching far and wide,
To find a girl like you,
That's the type,
To give me all the tender love and care in my life,
I really want to make,
You my wife,

But first I got to say,
That I love ya,
That I love ya,
That I love ya,
That I love ya, girl (ooh)

But first I got to say,
That I love ya,
That I love ya,
That I love ya,
That I love ya, girl (ooh)

Girl you talk the talk,
Walk the walk
Anything a man could ever want,
Is in you (ooh)
And I love your face,
Love your frame,
Never want to play any silly games,
With you (girl with you)
Cause then if I do
Then you're gonna run off with some other guy (oh oh)
And I won't lie,
That I can't get the thought of you,
Out of my mind,
That's why I sing this song to you (oh)

I've been searching far and wide,
To find a girl like you,
That's the type,
To give me all the tender love and care in my life,
I really want to make,
You my wife

But first I got to say,
That I love ya,
That I love ya,
That I love ya,
That I love ya, girl (ooh)

But first I got to say,
That I love ya,
That I love ya,
That I love ya,
That I love ya, girl (ooh)

Girl you're so hot,
I love you a lot,
And every time I see you girl,
You make my heart stop!
(Over you)

And girl I love your style,
I love your smile,
But I don't ever want to get to wound with you,
(Girl with you)

If there's any fight,
Dude then you going want to know,
If there's some other guy,
(Oh oh)
And I won't lie,
That I can't get the thought of you,
Out of my mind,
That's why I sing this song to you (oh)

I've been searching far and wide,
To find a girl like you,
That's the type,
To give me all the tender love and care in my life,
I really want to make,
You my wife

But first I got to say,
That I love ya,
That I love ya,
That I love ya,
That I love ya, girl (ooh)

But first I got to say,
That I love ya,
That I love ya,
That I love ya,
That I love ya, girl (ooh)

But first I got to say,
That I love ya,
That I love ya,
That I love ya,
That I love ya, girl (ooh)

But first I got to say,
That I love ya,
That I love ya,
That I love ya,
That I love ya, girl (ooh)

But first I got to say...
