(Verse 1)

Well I've been staring at the face of a monster for so long,
And the feeling that it gave was a weight that I wanted to shake off.
But what you don't know won't ever hit ya so I don't
Wanna go back to the picture,
When I close. That's why I stand tall.

(Chorus)

And I'm not afraid to fall anymore.
I don't care what's around that corridor.
Not afraid to fall anymore,
Cause I'm stronger then I was before.
I'm not afraid to fall to fall to fall anymore.
Not afraid to fall to fall to fall anymore,
Not afraid to fall.

(Verse 2)

Well you won't know what it's like to be one in a million,
Cause you're constantly bothering yourself about your current position.
So stand up tall, stop all your crying,
Or you'll never know what it is like to breathe in deep,
To hear and see everything that you ever wanted.
But you gotta look inside and promise.

(Chorus)

And say I'm not afraid to fall anymore.
I don't care what's around that corridor.
Not afraid to fall anymore,
Cause I'm stronger then I was before.
I'm not afraid to fall anymore.
I don't care what's around that corridor.

Not afraid to fall anymore,
Cause I'm stronger then I was before.
I'm not afraid to fall to fall to fall anymore,
Not afraid to fall to fall to fall anymore,
Not afraid.

(Bridge)

To fall down throw you all around,
Pick you up and spit you out,
You don't know what it's like,
To be the one to have to overcome,
Every single obstacle around the boulevard.
I can't seem to stand anymore.
I can't seem to stand anymore.

(Chorus)

But I'm never gonna fall anymore.
I don't care what's around that corridor.
Not afraid to fall anymore,
Cause I'm stronger than I was before.
I'm not afraid to fall anymore,
I don't care what's around that corridor.
Not afraid to fall anymore,
Cause I'm stronger than I was before.
I'm not afraid to fall to fall to fall anymore,
Not afraid to fall to fall to fall anymore,
Not afraid to fall to fall to fall anymore,
Not afraid to fall to fall to fall anymore,
Not afraid to fall to fall to fall anymore,
Not afraid to fall to fall to fall anymore,
Not afraid to fall to fall to fall anymore,
Not afraid to,
